YEAR 1 READING WORKSHOP
WEDNESDAY 27TH SEPTEMBER 1:45PM - 3:00PM

At Stanley Primary we love to read and as a school we are committed to improving reading for all pupils.

In order to develop into fluent and independent readers there are many skills the children need to acquire, therefore we are writing to invite you to our Parent Reading Workshops to show:

- Reading alongside your child.
- Why reading is such an important part of the curriculum.
- How phonics and reading is taught within Year 1.
- What the Year 1 Phonics reading check looks like.
- How you can support your child effectively at home.

There will also be the opportunity to look at the phonics books we use in school and to read these with your child.

To book your place please let the office know by Tuesday 26th September.

"You can find magic wherever you look. Sit back and relax, all you need is a book."

PROUD CLOUD AWARDS

We have introduced a new award to be displayed in school. Children in year 1 and 2 will be bringing home a 'Proud Cloud'. We would love to know all about the awards that the children have achieved outside of school so we can display them and share all the clubs, hobbies or activities the children take part in. If children in the juniors would like to share their achievements they can collect a proud cloud from their teacher next week. Reception children will have this opportunity later in the term.

HARVEST DONATIONS

A decorative poster for 'Harvest Time' at Stanley School. The background is a warm, autumnal pattern of leaves and flowers in shades of orange, red, and brown. The title 'Harvest Time' is written in a large, elegant cursive font. Below the title, the text reads: 'Stanley School welcomes charitable donations of food and toiletries as part of our Harvest celebration.' A yellow box contains the text: 'Donations can be handed in to school starting from now until 10/10/23'. Below this, two columns list items: 'Food items include:' and 'Toiletry items include:'. The food items are Coffee/Juice, Water, Tinned Meat/Fish, Pasta, and Biscuits. The toiletry items are Shampoo, Conditioner, Deodorant, Razor, and Shaving foam. A note states: 'Please be aware we cannot make use of products that have been previously opened.' At the bottom, it says: 'All donations will be gratefully received by the local charity Streetlife, and Blackpool Community Grocery'.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
