EUROPEAN LANGUAGES DAY

What a fantastic celebration of European Languages Day on Tuesday. School was an array of colour and smiles! The children enjoyed learning all about the language and culture of the country they were studying. Some of our children may even request something different for lunch and dinner as they also enjoyed tasting food from their country! Many of our children also shared their own language talents with all our children in assembly. We are so proud to have so many languages spoken in our school. Ms Chellal also spoke to the junior children about how learning a language can help in the future to secure a job.

Many Classes have uploaded photos from the day onto Seesaw.

YEAR 1 READING WORKSHOP

Thank you to our Year 1 parents and carers who joined their children on Wednesday afternoon to take part in our reading workshop, learning all about how their children learn to read using our phonics to help! It was a pleasure to have you in school and the children really enjoyed showing off their skills.

CROSS COUNTRY

Well done to our Cross-country team on Monday! They had a great time at Stanley Park placing 2nd in the Blackpool Primary Championship so far. We are looking forward to our children competing again soon. Thanks to all parents/carers who went to the Park to give them some support.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
