**All other classes - Self-scheduling closes Monday 16th October @ 9am**

After these times appointments cannot be made as staff prepare their schedules.

Please make your booking as soon as possible - we look forward to seeing you.

## YEAR 2 STANLEY PARK TRIP

2R and 2X have had wonderful visits to Stanley Park this week as part of their History work. They enjoyed learning all about the History of Stanley Park. All the staff who accompanied our children on their visit were very proud of how Year 2 represented Stanley Primary School in our local community - we are very proud of them all. Hopefully 2M will be able to go next week, weather permitting - information to follow regarding times and dates.

## POPPY ASSEMBLY

A huge thank you to Jim Allan for delivering a wonderful assembly to our junior children this week. Jim volunteers for many charities, including The Royal British Legion, and he gave an informative and inspiring talk on the resemblance of the poppy and remembrance. We are supporting the poppy appeal and poppies will be on sale very soon. We are very grateful to Jim for giving up his time to come into school. Thank you.

## RECEPTION ACTIVITY DAY

Thank you so much to all our parents/carers and family who joined us yesterday for our first Reception Activity Day. Our children kept the adults extremely busy - it was a pleasure to see so many of you and we look forward to welcoming you into school again soon. Look out for photographs of the day on your Seesaw pages.

## YEAR 6 ST GEORGES TRIP

Our Year 6 pupils, along with many other primary schools, visited St Georges High School on Wednesday to see Frank Cottrell-Boyce, a very popular children's author. The children had the fantastic opportunity to ask the author questions and learn more about his new book 'The Wonder Brothers' which is set in Blackpool. Many of children also purchased his book and Frank signed them for our children. They enjoyed researching the author in class and have already started eagerly reading his new book! Thank you so much to 'Book Bean & Ice Cream' for organising the visit and to St George's School Blackpool for having us!

*Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.*
