HALF-TERM

This has been a very busy half term! The children have settled really well back into school life and we have welcomed our new reception children, who are very much part of our Stanley family. It was a pleasure to see so many of you at Parents' Evening this week. We hope you have a wonderful half term break and hopefully the weather will improve.

School closes today at 3.15pm. Doors will re-open on Monday 30th October at 8.35am for an 8.45am registration. Have a wonderful break!

HALLOWEEN DRESS UP

On Tuesday 31st October, children are invited to come in to school in fancy dress for Halloween. Face paint is allowed but we ask that no props/masks/accessories are brought in to school. **THERE WILL BE NO PE THIS DAY.**

HISTORY DAY 2023

History Day 2023

On Friday 10th November we will be holding our whole school History Day 'Remembering the War'. On this day the children learn about life and events during the World Wars and why we have Remembrance Day. For this day we would like all children to dress up in the style of either of the wars or in uniform/costume of the time. Please do not feel you have to buy a costume, clothes of the era are easily replicated - boys usually wore shorts and shirts/jumpers, girls wore skirts or dresses with cardigans.

2M TRIP TO STANLEY PARK

2M finally managed to visit Stanley Park after a cancellation due to bad weather- again, the children enjoyed the trip and their behaviour was wonderful in our community. I again received a comment from a local resident who commented how polite the children were as they passed her on their way - so lovely to hear!

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
