ROAD SAFETY ANNOUNCEMENT

We have been informed by Blackpool Council that resurfacing works are scheduled to take place in the coming weeks, including on Paddock Drive and Dovedale Avenue from Tuesday 6th February until Monday 12th February. Of course, that includes some term-time days so please be extra careful at drop off/pick up.

There are then further works to surrounding roads which are due to be completed before we return after half term but, in the event that they are still underway when we return, we urge that you please take care when bringing/collecting your child.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
