FRIDAY 2ND FEBRUARY 2024

THANK YOU

We very much appreciated your patience, support and co-operation this week after the closure of school. We fully understand the inconvenience this causes you all, however as I have said previously, safety of your children and our school community will always come first.

There were a small number of parents who did not receive our texts/emails. If this affected you please email admin@stanley.blackpool.sch.uk with your contact information so we can check it/update it.

ROAD SAFETY ANNOUNCEMENT

We have been informed by Blackpool Council that resurfacing works are scheduled to take place in the coming weeks, including on Paddock Drive and Dovedale Avenue from Tuesday 6th February until Monday 12th February. Of course, that includes some term-time days so please be extra careful at drop off/pick up.

There are then further works to surrounding roads which are due to be completed before we return after half term but, in the event that they are still underway when we return, we urge that you please take care when bringing/collecting your child.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
