GOODBYE & GOOD LUCK

Last week we said goodbye to Mrs Howard as she starts her new Teaching Assistant role at Highfurlong. We will all miss her greatly and wish her the best of luck!

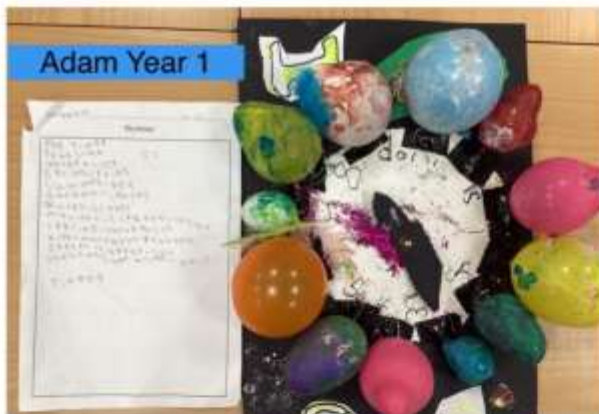

SCIENCE COMPETITION

Well done to everyone who entered the Science Day poster competition, our **'Time-themed'** entries were absolutely amazing and it was apparent a huge amount of knowledge and effort had gone into designing and making these.

Class teachers had the difficult job of choosing the best one in their class to pass onto Mrs Greatrex, our science co-ordinator, who had the incredibly tough task of choosing the best 5 overall - she said it was a shame she could only chose 5 as she could have chosen triple that!

The following 5 posters have now been chosen to enter the official British Science Week poster competition.

A big congratulations to these children and good luck!

YEAR 2 CRAFT AFTERNOON

A colorful poster for a Year 2 Easter Craft Afternoon. At the top, the word 'EASTER' is written in large, colorful letters, each with a small bunny figurine hanging from it. Below this, the title 'Craft Afternoon' is written in a large, pink, serif font. Underneath the title, the date and time 'Wednesday 27th March 1:30pm - 3:00pm' are written in a smaller, pink font inside a yellow rounded rectangle. A light green rounded rectangle contains the mission statement and details of the event. To the left of this text is a cartoon illustration of a blue bunny with pink ears peeking over a pink vertical bar. At the bottom of the poster, there is a row of colorful Easter eggs (purple, pink, teal, yellow, purple) and a small yellow chick. A final note at the bottom explains the limited space for parents.

EASTER

Craft Afternoon

Wednesday 27th March 1:30pm - 3:00pm

Our mission for the Year 2 Easter craft afternoon is to give parents/carers at home a chance to see how creative the children in Year 2 are. You and your children will have the chance to work together to create some lovely Easter items to take home with you.

There will be different crafts set up for you to rotate around. As well as being engaging and fun, the activities will also allow your child to show you how imaginative they can be!

If you would like to take part in the Year 2 Easter Crafts Workshop, please complete the form which has been sent home with your child and return it to school before Friday 22nd March.

Unfortunately, due to limited space, we can only accommodate 1 parent/carer per pupil on this activity day and it is not suitable for prams or younger siblings.

BASKETBALL

Last week, a group of our Year 6's participated in a Basketball tournament at Armfield Academy. The girls came 2nd and the boys came 3rd. We are so proud!

DONATIONS

Year 1 kindly ask for any donations of empty chocolate boxes (Eg Milk Tray, Quality Streets) for a project they're working on. Please can any donations be brought to the office. Thanks in advance.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
