### PARENTS EVENING

Thank you so much for attending parents' evening. It was wonderful to see so many parents. We hope you found the evening informative and enjoyed looking at your child's work and we thank you all for your patience as inevitably appointments do often run behind.

## 4AG BRASS CONCERT

It was fabulous to see so many of you at the brass concert this morning. The children played their instruments so competently after having music instruction for just over four hours. They were a credit to you all. I cannot encourage them enough to continue with an instrument.

## KURLING EVENT

Congratulations to our wonderful team of six year 6 children who competed at a curling event this morning. They came joint 1st place - we are very proud of them.

## ECO SQUAD

Thank you to everyone who returned their information and joined in 'The Big Plastic Count' The image below shows us all how much plastic we as a school have used and reminds everyone about the importance of recycling.

### WHAT HAPPENS TO STANLEY PRIMARY SCHOOL'S PLASTIC PACKAGING WASTE?

Plastic waste that is sorted and processed in the UK then turned into new materials.

Plastic waste that is shipped overseas for processing, but much of it also ends up being dumped or burned.

Plastic waste that is disposed of by burying it in the ground.

Plastic waste that is disposed of by burning it. This releases carbon, toxins and pollutants.

Please remember - this is not about individual responsibility. Too much single-use plastic is produced without reusable alternatives that suit everyone's needs.

*Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.*
