POP IDOL

Congratulations to Lily and Isabel who performed in the Blackpool School Pop Idol competition at Montgomery last night. The girls performed their songs so beautifully. A wonderful achievement for both girls to represent Stanley in the competition.

YEAR 2 READING EVENT

YEAR 2 READING PICNIC - WEDNESDAY MAY 22ND 2:00PM-3PM

Reading books to children is one of the most important things we can do as adults to instil a love of reading – something we strive to achieve here at Stanley.

This is why we would like to invite our Year 2 parents into school to share and read one of your favourite children's book, (or a short extract of it) to a small group of children.

This event will take place on our infant playground/field with all children invited to bring in a comfy cushion or blanket for them to sit on whilst they listen. Adults attending will be provided with chairs. We have a wide selection of books here at school you can choose from or you may already have a favourite at home which you would like to bring in to share (as long as it is age appropriate).

This event will be weather dependent and may have to be cancelled if it is raining!

BIKE HELMETS REQUIRED

Please can we ask that all children riding to school on a bike or scooter wear a cycle helmet. This is paramount for their own safety. If the children do not have a helmet then they should not use this method of transportation to get to school. We also need to remind all parents and carers that the bikes/scooters parked in the car park remain the responsibility of parents/carers and Stanley is not responsible for them at any point.

CAR PARKING

Please can we remind parents/carers to park safely and responsibly. We have had reports of parking over driveways which should not be happening.

CLASS PHOTOGRAPHS

Our **Reception** and **Year 6** classes will be having class photographs taken on Monday 20th May 2024. Please ensure full uniform is worn.

Please note – these are class photographs, not individual/sibling photographs.

Operation Encompass now operates throughout Lancashire police force. It helps police and schools work together to provide emotional and practical help to children. The system ensures that when police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the police will inform the school (Miss Manson) before the child or children arrive the following day. This ensures that the school has up to date relevant information about the child's circumstances and can enable support to be given to the child.
